

PALS Registration

On behalf of VitalCore Medical Services, thank you for your interest in our **Pediatric Advanced Life Support Course/Renewal (PALS) classes**.

The PALS course was developed by the American Heart Association to develop your proficiency in the PALS guidelines. Prior to the class, you need to have successfully completed a **Basic Dysrhythmia/Rhythm Recognition Course** [Understanding ECG's](#) be competent in Cardiac Monitoring. The course consists of lectures, skill stations, teaching stations and a final evaluation session. **PALS provider cards are valid for a two (2) year period.**

In order for you to have a successful experience in PALS, **review of the material in the Pediatric Advanced Life Support Provider Manual** (copyright 2010) is necessary. **The study packet that is provided includes the current PALS algorithms.** This is located at [VitalCore Medical Services](#), click on study information for class. **You must thoroughly review these materials prior to class.** Although each course provides lecture and training sessions, past experiences have illustrated that participants must come well prepared to successfully complete PALS. American Heart Association places a great deal of emphasis on Basic Life Support, **so it is imperative that you review basic life support as well.**

Please note that you will be responsible for your own breakfast, lunch and snacks. You are welcome to bring a bag of lunch or use our cafeteria. **Classes begin promptly at 9:00 am and end by 5:00 pm, Unless you are informed differently prior to class.**

If you have any questions or concerns about the registration process, please do not hesitate to call, 202-817-8147 (Monday thur Friday from 8am to 5pm)
